I spoke to Sandy and she agreed that we only need 16 PAPR's for \$29,500, which frees up money if Kathy wants to put her other fridge back in.

Leo-

the supplies list is good.

we updated the equipment list (delete, added or adjusted) to reflect what we had discussed at our meeting on 4/12/06 and balanced all items to \$341,200. see attached final equipment list.

Attached are the worksheets from yesterdays meeting. Please take a look to see if all items are addressed. If I do not hear from you I will take it that all is correct.

Thank you.
